The songs that we learn during our childhood are songs that remain with us forever. It is with this belief we created **MY EARTH SONGS** in association with **UNICEF**.

My Earth Songs are 15 fun and memorable children's songs based on the **17 SUSTAINABLE DEVELOPMENT GOALS OF THE UNITED NATIONS**. We started **MY EARTH SONGS** as a musical-education movement, and it was launched by UNICEF on World Children's Day, 2018.

Since then the songs have appeared as part of the educational curriculum in over **4.9 MILLION SCHOOL TEXTBOOKS** globally.

My Earth Songs has been recognized by the **UNITED NATIONS SDG ACTION AWARDS** in Bonn, Germany, and is now being sung by millions of children all over the world.

During the COVID 19 Pandemic, to raise funds for **UNICEF'S COVID RELIEF EFFORTS** we performed **MY EARTH SONGS** in a virtual concert. This concert was telecast on **national television in 75 Nations** (Asia, Africa & Europe) in addition to numerous OTT, streaming, and social media platforms and was **viewed by over 25 Million** people globally. This album is a recording from that concert.

NO MORE HUNGER

I LOVE MY BREAKFAST, RIGHT BEFORE SCHOOL

MY FAVORITE MEAL FOR SURE

SHARING IS CARING, THERE'S PLENTY FOR ALL

AND NO REASON TO BE RUDE,

SOMETIMES WE'RE WASTEFUL

NO MORE, NO MORE, NO HUNGER ANYMORE

NO MORE, NO MORE, NO HUNGER ANYMORE

NO MORE, NO MORE, NO HUNGER ANYMORE

SPOONS AND FORKS THAT CANNOT PLAY THEIR PART
IT IS UP TO YOU AND ME, WE GOT TO KEEP THIS PLANET CLEAN
